

CONGRESS OF THE UNITED STATES
HOUSE OF REPRESENTATIVES
WASHINGTON, D.C.

March 31, 2023

The Honorable Kay Granger
Chairwoman
Committee on Appropriations
Washington, D.C. 20515

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting community project funding for an emergency command vehicle replacement in fiscal year 2024. The entity to receive funding for this project is the Las Vegas Metropolitan Police Department located at 400 S. Martin L. King Boulevard, Las Vegas, NV 89106.

The funding would support the replacement of an Emergency Command Vehicle which was put into service in 2007. Replacing this vehicle with a reliable platform inclusive of state-of-the-art technology will provide a crucial tool for protecting the public.

This project is an appropriate use of taxpayer funds because, as a central command and control platform for protecting the public and responding to large-scale emergencies, it will be a critical component in effective response capabilities.

The project has a Federal nexus because the funding provided is for purposes authorized by 34 U.S. Code § 10381(b)(8).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Dina Titus".
